Things To Know

- There will be multiple fundraisers throughout the 2025-2026 Season. We will also try to make a fundraiser available to you before every payment.
- Competitive cheerleading can become extremely costly however it is doable, that is why fundraisers are in place to help you and your athlete participate in this program.
- We advise you to MAX out on fundraising and raise as much money as you can, as multiple athletes end up not paying out of pocket to cheer for Steel if they fundraise.
- Payments made with Cashapp, Venmo, Or Apple Pay will be charged an additional fee of \$5 per payment due to taxes taken out of third-party payment methods. So Cash is preferred.
- Uniform payments for new athletes will be split into **2** payments to help with cost!
- The Returner's uniform payment will be split into **3** payments to help with cost!

- We regret to inform you that we have terminated our contract with Rebel Athletics due to their persistent inconsistency, incorrect uniform sizes, and no shipment of paid-for items. We acknowledge the inconvenience this may cause for returning athletes who are now compelled to purchase another uniform for the second year in a row. However, we have implemented certain measures to help assist returning athletes in obtaining a replacement uniform. Senior ICE Athletes **ONLY** will be eligible for additional fundraising opportunities to help purchase a new uniform.

- Steel Athletics Cheer is a non-profit organization. As such, all expenses are charged at their original cost. Regrettably, due to inflationary pressures, prices have increased by \$50 to \$100 between 2020 and 2025. We sincerely appreciate any financial assistance you may require and encourage you to contact us promptly so that we can explore appropriate solutions.
- We acknowledge that our fundraising and organizational management skills were limited during last season. Consequently, we were unprepared for the challenges of fundraising and payments, which occurred too late. To assure our clients, we have now sought assistance and established an executive committee dedicated to payments and fundraising for our accounts. This committee is committed to establishing a smooth and stable financial system.

All payments are FINAL and NON-REFUNDABLE
